Please put the approximate date by indicating the month and year (e.g. 5/09) that you handled each matter.

Please list by month and year at least 50 (25 if applying for Provisional Membership) separate ART matters as defined in the application for membership. Each matter may include, but is not limited to, the following between or among two or more individuals or between any individual and a coordinating program: a contract; a proposed contract; or legal representation with respect to parentage. Note, each distinct legal phase of an ART arrangement constitutes a separate ART Matter. That is, for any one client, the "contract" phase and the "parentage" phase constitute separate ART Matters. Please do not list these cases by client names.
