

# Mandy, age 14

With a love for reading, it's not uncommon for Mandy to spend hours in a quiet space catching up on a great book! Those who know her best describe her as fun, sweet, caring, social, and happy. Mandy loves animals and would be ecstatic to have her own dog someday soon. She likes to be active, whether it's outside riding her bicycle, swimming, or playing volleyball. Drawing, painting, and working on arts & crafts are some of Mandy's favorite hobbies. Sweets and cheeseburgers are her favorite foods.

Mandy is a bright eighth-grader who does very well in school. Academics are one of her top priorities, and she has interests in becoming an interior designer or an attorney when she grows up.

A two-parent family in a rural location, with children in the home is preferred; however, Mandy's caseworker will consider all family types. She would like to maintain contact with her adult sister following placement. Financial assistance may be available for adoption-related services.

For Oklahoma children, homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
