

# Amiyah, age 14

Meet this sports fanatic with a great smile, Amiyah! This player is happiest when showing off her talents for basketball and soccer; she hopes to play on the school basketball team. Amiyah also enjoys playing baseball and football. Like other teens her age, she loves hanging out and shopping with her friends whenever she can. After a hectic day, she enjoys reading. Amiyah is partial to home-cooked soul food meals over others; her favorites include chicken, grits, and dumplings.

She is in the ninth grade.

Amiyah would do best in a two-parent family that resides in an urban area; however, her caseworker will consider all family types. Financial assistance may be available for adoption-related services.

For Nevada children, both homestudied and non-homestudied Nevada families are encouraged to inquire; only homestudied families from other states should do so.
