

Ethan, age 15

This teen with a creative sense of humor is Ethan! When he isn't making others laugh, you can find him running. Being active is important to him and he enjoys skateboarding and riding his bike around the neighborhood. Although Ethan has many hobbies and talents, he is always open to trying or learning something new. His favorite color is blue, and he is an ice cream fanatic.

Ethan is in seventh grade and loves learning about history and genealogy. He has excellent communication skills and is honest and respectful to adults and his peers. Filled with many goals and aspirations, Ethan hopes to attend college and get a job in the future.

Ethan would do best in a two-parent family with a mom and a dad, two dads, two moms or a single dad. Ethan's LDS faith is important to him and would like a family who can support him in this. He has important relationships that he would like to maintain following placement. Financial assistance may be available for adoption-related services.

This is a LEGAL RISK ADOPTIVE PLACEMENT.

For families outside of Utah, only those families who have a completed home study are encouraged to inquire.
