It's never a dull moment when you're around Damoryona, who likes to be called "Demi!" She is a free-spirited child with a great sense of humor that will keep you laughing. The words that best describe Demi are active, fun, and outgoing. If you ask those who know her best what her talent is, they would unquestionably say singing. She has a great voice and sings in her church choir. Christian and Pop music are Demi's go-to genres to listen and sing along to, and it's not out of the norm to drive down the road and hear her bust out in song in the back seat. She is a budding gymnast and adores practicing her balance beam routine at home. Known to be a creative child, Demi enjoys doing arts & crafts and building with LEGOs. She appreciates spending time with others and is happy getting out of the house to go shopping or watch a movie. When she's in the mood to be a homebody, she is equally pleased with lounging around while watching Netflix. Demi loves to eat pizza, pasta, and chicken.

She enjoys going to school to see her friends as a sixth grader.

Demi would do best in a two mom or single mom family, in which she can be the only child; however, her caseworker will consider all family types. She would thrive in a family that is attentive and patient. Financial assistance may be available for adoption-related services.

For Oklahoma children, both homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
