

Sebastian, age 12

Building LEGO creations is Sebastian's favorite activity! This helpful and caring child has been described as a guy with a big heart and a fondness for cats. Sebastian appreciates expressing his creativity through drawing and coloring and gets his energy out by playing soccer with friends. In fact, when he grows up he dreams of becoming a world-famous soccer player.

As a sixth grader, Sebastian is performing well in school and gets along with others.

A family with pets is preferred for Sebastian; however, his caseworker will consider all family types. He would like to remain in contact with his grandmother following placement. Financial assistance may be available for adoption-related services.

This is a LEGAL RISK ADOPTIVE PLACEMENT.

For Missouri children, both homestudied and non-homestudied Missouri families are encouraged to inquire; only homestudied families from other states should do so.
