

Zayna, age 15

If you ask Zayna, she would tell you that she loves to talk and giggle! This girl adores music and singing along to songs from Disney's "Frozen." Like other girls her age, primping her hair and nails, and going shopping are fun ways for Zayna to pass the time. She also enjoys reading books and going bowling. Zayna participates in church activities and has fun being in the choir at school. This hardworking gal is known to be very talkative and enjoys conversations with others. An interesting fact about Zayna is that she prefers to keep her room neat and clean. She appreciates the company of peers and even furry friends. Zayna likes to draw, watch television, and play on the computer or iPad. She reports that she would like to become a foster parent when she grows up.

She is in the eighth grade.

Zayna would do best in a two-parent family, in which she can be the only child; however, her caseworker will consider all family types. Financial assistance may be available for adoption-related services.

For Oklahoma children, both homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
