

# Montgomery, age 17

This outdoorsman is Montgomery, who likes to go by "Monty!" Being outdoors and playing outside is where he is happiest. When the weather doesn't allow for outdoor time, this video game aficionado is happy honing his talents. Monty thrives on positive attention for a job well done and enjoys helping others. After a busy day, he likes chowing down on chicken nuggets and pizza. Monty has expressed his wish to be adopted and aspires to own a landscaping business and home when he's older.

As a ninth-grader, he builds relationships with peers and adults when given proper time.

Monty is a member of the Cherokee Nation. His caseworker will consider all family types regardless of American Indian status. He would do best with a two-parent family that resides in an urban area. Monty would like to remain in contact with his brother. Financial assistance may be available for adoption-related services.

For Oklahoma children, both homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
