

Jeremiah, age 15

Jeremiah is a fun kid to know! This teen is typically in a good mood and is a budding foodie. This dining aficionado would say that cookies are among his favorite foods. He adores challenging his mind while completing puzzles and prefers hands-on activities to pass his time. Jeremiah appreciates the company of adults.

This ninth grader thrives on one-on-one attention at school.

All family types will be considered for Jeremiah. He would like to remain in contact with his siblings following placement. Financial assistance may be available for adoption-related services.

For Colorado children, both homestudied and non-homestudied Colorado families are encouraged to inquire; only homestudied families from other states should do so.
