It's on like Donkey Kong for this video gamer, meet Anthony! Blasting asteroids with his friends will be a high score for him. A creative kid, Anthony enjoys using his imagination to play fun games outside in the Colorado sun. Not very picky, he delights in any activity or sport that involves being outside. When in need of a break, watching a movie or listening to music are great ways Anthony chooses to relax. Kind and caring, he has no problem making friends.

Anthony is in the eighth grade.

His caseworker will consider all family types. Anthony would like to maintain contact with his sister and his uncle following placement. Financial assistance may be available for adoption-related services.

For Colorado children, both homestudied and non-homestudied Colorado families are encouraged to inquire; only homestudied families from other states should do so.
