

Heavenly

Age 11

This sweet girl is Heavenly! When the shopping bug strikes, she loves to pick up the latest fashion trends at Justice. Crafts are a well-liked, and she especially adores making bracelets. Why choose one favorite, when you can have three? Heavenly is keen on black, red, and rose gold. She is a talented dancer, loves animals, and would choose to be like Wonder Woman if she were a superhero. Participating in her youth group and singing gospel music at church are important to her. Heavenly aspires to become a professional dancer or a cosmetologist when she is older and loves to practice by putting make-up on others. Eating at Golden Corral is one of her favorite special treats.

She is in the sixth grade.

A single mom Christian family with pets, in which Heavenly can be the youngest child is preferred; however, her caseworker will consider all family types. She would like to remain in contact with her siblings following placement.

Due to these connections, Heavenly prefers a home in Nevada, Arizona, or California. Financial assistance may be available for adoption-related services.

For Nevada children, both homestudied and non-homestudied Nevada families are encouraged to inquire; only homestudied families from other states should do so.
