

Iyanah

Age 14

For more information about Iyanah or other waiting children like her, please view our Children's Gallery at www.adoptex.org

Take a moment to learn about Iyanah! Anything artistic is right up her alley. Like other children, her age, slime, and cool purse backpacks are of top interest for her. Iyanah appreciates having her hair styled the way she likes it. She gets along well with adults and peers. Iyanah is known to be considerate of others. She recently worked at a church banquet and was proud to earn money to buy air pods.

As an eighth-grader, she is doing well academically.

Iyanah would do best in a family with pets residing in an urban area; however, her caseworker will consider all family types. It is important to Iyanah that she has parents that look like her with no younger children. She will need to remain in contact with her siblings and foster family following placement. Financial assistance may be available for adoption-related services.

For Colorado children, both homestudied and non-homestudied Colorado families are encouraged to inquire; only homestudied families from other states should do so.
