Take a moment to learn more about Zachariah! When hunger strikes, the best place to fill up for this boy is Golden Corral. Zachariah delights in playing video games, and after screen time is up, building with LEGO bricks is sure to help him enjoy his day.

Pop and rap music elevate his mood, and he appreciates being outside. Basketball, football, soccer, and swimming are just a few of his favorite outdoor activities. If asked about his most prized possessions, he would tell you about his Matchbox cars and LEGOs. Green is Zachariah's favorite color, and he gets along well with adults.

He is now in the seventh grade.

Zachariah would do best in a family where he can be the youngest child in the home; however, his caseworker will consider all family types. Financial assistance may be available for adoption-related services.

For Oklahoma children, both homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
