Outgoing, active, and playful are just a few of her fantastic qualities: meet Josslyn! Outdoor activities are the highlight of her day, and she delights in swimming and going on drives in the car. Josslyn enjoys sitting in her favorite cozy spot on the couch and watching movies. Crafts and singing are also of interest. Josslyn adores dogs and is said to have a great sense of humor.

She is doing well as an eighth grader.

Josslyn prefers a family with pets. If your family can provide the love, consistency, and support that Josslyn deserves, you are urged to inquire. She will need to remain in contact with her grandparents following placement. Financial assistance may be available for adoption-related services.

For families outside of Utah, only those families who have a completed home study are encouraged to inquire.
