

# Neveah

## Age 16

Get to know more about Laura, who prefers to go by 'Neveah! It has been said that this creative child adores "girly things." Playing games, acting, and watching movies are all top choices when she's ready for a fun time. Neveah is known to have a great sense of humor and enjoys being involved in LDS activities. She has positive relationships with both peers and adults.

She is a bright ninth grader.

Neveah would do best in a two-parent home with a mom and a dad and wishes to have older siblings. Her LDS faith is important to her, and she would like a family that can support her in this. She wishes to remain in contact with her grandmother and foster parent following placement. Financial assistance may be available for adoption-related services.

For families outside of Utah, only those families who have a completed home study are encouraged to inquire.

Child ID: 203721
