For more information about Emily or other children like her, meet waiting children at www.raisethefuture.org

Emily loves to make people laugh and smile! She enjoys collecting blankets, stuffed animals, and cups, all making up her current bevy. Collectables like Squinkies are a favorite for Emily. When the sun is shining, this girl is sure to request to stay outdoors. Camping, swimming, and fishing are just a smattering of the fresh air activities Emily loves. She appreciates reading and music, and it is said that she is a talented singer. Emily likes playing video games on the Wii if she has screen time. Staying active with sports is sure to bring out her smile. Cheerleading, soccer, and softball are her favorites to participate in. Emily thinks that koalas are the cutest animals and Disney characters Cinderella and Lila are well-liked. Pasta, lasagna, cheeseburgers, and sweets are food she favors eating, and she recently discovered how amazing smoothies are; there have been many requests to head to her favorite smoothie spot for a drink to sip on. Emily has positive relationships with adults and peers. She is also known to be a great helper with younger children.

Emily is now in the eighth grade.

All family types will be considered. Emily hopes to have a family with pets and siblings. Financial assistance may be available for adoption-related services.

For Missouri children, both home studied and non-home studied Missouri families are encouraged to inquire; only home studied families from other states should do so.
