Isabella, who likes to go by “Bella,” is a great kid to know! Believe it or not, this girl adores lizards. Zipping around on her bicycle is sure to bring a smile to her face, almost as big as when she is dancing. Bella also has an interest in cooking, and she enjoys eating steak. Peers and adults have positive interactions with Bella. Those who know her best remark that she has an amazing laugh and enjoys having fun.

Bella is now in the fourth grade. She enjoys learning, with dancing and cooking classes being a top interest.

Bella is in need of one caring adult to be her champion who encourages, supports, and loves them unconditionally; if your family can provide this and more, you are urged to inquire. She needs to remain in contact with her siblings following placement. Financial assistance may be available for adoption-related services.

For families outside of Utah, only those families who have a completed home study are encouraged to inquire.
