Spicy shrimp lo mein is Rain's most requested dish! The best side dish for lo mein is scrolling TikTok.

Rain is a talented reader and writer and adds talking to the list of her unique skills. When the mood strikes, this insightful child enjoys going on a walk to think. Rain is interested in true crime television and anime. My Hero Academia is her favorite. Rain wishes that she could have mind-reading as a superpower. She goes a bit gooey when she sees a Golden Retriever; she considers them her favorite in the animal kingdom. Ruby Daly is a character Rain admires. Peers get along well with this smart and funny teen. When it comes to favorite colors, Rain is sure to say black. Becoming a forensic science technician is her hope for the future.

Physics is her most interesting class as a ninth-grader.

Rain would do best in a family residing in an urban area; however, her caseworker will consider all family types. She will need to remain in contact with her sisters following placement. Financial assistance may be available for adoption-related services.

For Missouri children, both home studied and non-home studied Missouri families are encouraged to inquire; only home studied families from other states should do so.
