Kila is a caring girl who enjoys engaging with others through talking and visiting. When she isn't being Miss Social Butterfly, she relishes making lists of topics to discuss in the future and dreams she wishes to accomplish! To pass the time, she finds journal writing, coloring, and drawing at the top of her list. Pink and purple are the best colors in Kila's book, and she is keen on crocheting. She has a soft spot in her heart for animals and has been described as creative. Kila's favorite foods include pizza, cupcakes, and cookies and cream ice cream. She often speaks about wanting to be part of a family.

Kila is proud of the fact she has graduated high school.

She would do best as the only child in a family with a mom and a dad, two moms, or a single mom. A family with pets is preferred. She will need to remain in contact with her siblings following placement. Financial assistance may be available for adoption-related services.

For families outside of Utah, only those families who have a completed home study are encouraged to inquire.
