Kimberly has talents for reading and speaking Spanish. She loves to dance and enjoys making her own clothes. Pink and purple are her favorite colors. When Kimberly is looking for a quiet activity, she likes to curl up with a good book and read. From people who know her best, Kimberly is outgoing, funny, and enjoys talking to others! Enchiladas are the way to her heart after a long day at school. She adores dogs and would teleport if she could. Kimberly is good relationships with adults and peers. She dreams of becoming a surgeon and wants to help people in the future.

She is now in the fifth grade, and reading is her best-loved subject.

Kimberly would do best in a family with a mom and a dad. She has significant connections to maintain following placement. Financial assistance may be available for adoption-related services.

For Nevada children, both home studied and non-home studied Nevada families are encouraged to inquire; only home studied families from other states should do so.
