Meet Alphonse, a sweet child who loves to be active! A perfect day for Alphonse is spent outside jumping on the trampoline, swimming, riding his bike, playing kickball, or helping with the farm animals. He especially loves horses and dogs. If he could, Alphonse would even have the ability to talk to animals. When he isn't spending his time outside, he can be found inside playing with Hot Wheels or LEGOs. Alphonse loves helping in the kitchen with cooking and baking. Pizza and ice cream are ideal in his book, and his favorite character is Shrek. Alphonse likes to meet new people and is not shy; he is nearly always smiling and is known to be very loving and affectionate. Alphonse loves to make people laugh and be the center of attention.

As a fourth grader, he loves learning, and his favorite subject is reading.

Alphonse would do best in a family with a mom and a dad; however, all family types will be considered. He has significant connections to maintain following placement. Financial assistance may be available for adoption-related services.

For Missouri children, both home studied and non-home studied Missouri families are encouraged to inquire; only home studied families from other states should do so.
