Gabriella, who likes to go by “Gabby,” is a talented singer and songwriter you want to know! While she is a true animal lover, dogs rank number one on her list. Staying busy is key to winning over this active child who loves participating in extracurricular activities. Mexican food is Gabby’s favorite, and she adores eating Menudo. Singing and songwriting are the skills she values perfecting. Gabby is always up for a shopping trip and playing games on the computer. Blue is the first color she picks, and reading minds sounds like the best superpower to her. Gabby aspires to help others in need and to become a famous singer.

She is now in the eighth grade. Dance is a class she looks forward to.

Gabby would do best in a family where she is the only child in the home; however, her caseworker will consider all family types. She hopes to have pets in her family. Financial assistance may be available for adoption-related services.

For Nevada children, both home studied and non-home studied Nevada families are encouraged to inquire; only home studied families from other states should do so.
