Turn up the tunes! Remington, who goes by 'Remi,' is a music connoisseur. He loves turning up the volume to his favorite music. Don't be surprised to find him singing along to any song he hears! Remi is known for being in a happy mood and getting along well with adults. An afternoon spent jumping or putting on a concert on the trampoline would be Remi's perfect day. He enjoys playing outside and tossing a ball around. To refuel, Remi gravitates towards his favorite flavor of fruit snacks, chicken nuggets, and a glass of apple juice.

He is now in the fifth grade.

Remi has significant connections to maintain following placement. Financial assistance may be available for adoption-related services.

For Missouri children, both home studied and non-home studied Missouri families are encouraged to inquire; only home studied families from other states should do so.
