She shoots... she scores! This athletic star is Sabrina, an active teen who likes to play basketball and football. It's no surprise that P.E. is her favorite subject in school. She doesn't quite know what she wants to do in the future, but something to do with animals is certainly in the realm of possibilities. Sabrina loves reading books on animals, especially dogs, which are her favorite. She adores all things pink. Any meal that includes Chinese food or pasta will make her smile! Sabrina is described as a sweet, caring girl who interacts positively with adults.

She is now in the seventh grade.

Sabrina would do best in a home with a mom and a dad, two moms, or a single mom; however, all family types will be considered. She has significant connections to maintain following placement. Financial assistance may be available for adoption-related services.

This is a **LEGAL RISK ADOPTIVE
PLACEMENT.**

For Missouri children, both home studied and non-home studied Missouri families are encouraged to inquire; only home studied families from other states should do so.
