

## ART Case Grid

Please list at least 50 (25 if applying for Provisional Membership) separate and diverse ART Matters as defined in the application for membership and the AAAA Bylaws. Each Matter may include by way of example, but is not limited to, the following between or among two or more individuals or between any individual and a coordinating program: drafting of a contract; reviewing a proposed contract; legal representation with respect to parentage determination/recognition.

Please list each ART Matter by month and year it was concluded. If you are licensed in multiple jurisdictions, include the state's initials for each Matter (e.g. IN-5/09). Do NOT list these cases by client names. **For each Matter listed in the first 6 columns, you must also include whether you “Drafted” (D) or “Reviewed and Negotiated” (N) the Agreement.**

*Note: Each distinct legal phase of an ART arrangement constitutes a separate ART Matter. That is, for any one client, the “contract” phase and the “parentage” phase constitute separate ART Matters.*
